Grotto Designs project

LARIMORE HIGH SCHOOL LARIMORE, ND

SPONSOR: JAMIE WORDEN

Larimore Art Club started out the second semester with a guest artist. Grotto Designs made wood cutout ornaments with a wood burner for us to paint. We also had our annual Christmas party, and played a round of Secret Santa and everyone was gifted something from their wish list.

In January we had a field trip to the North Dakota Museum of Art at the University of North Dakota, where we painted watercolor blob caricatures. While we were waiting for them to dry, we talked about the exhibit currently being shown. We then went to the university's art department for a tour, an arts history lecture, and a metalworking class.

In February, the Art Club had a guest artist come to the school to teach us how to make polymer clay earrings. Kelsey from Kelsey Tries Art was kind enough to teach us about her business. In the spirit of Valentine's Day, we made heart earrings and pins to take home.

March was still cold—and snow-filled—but we made it fun! At Parents Night, we had fun decorating flower jars together, and we also had soup and sandwiches. A lot of memories were made with parents to show our gratitude for their love, as well as support for the arts. Mrs. Worden shared that she will be teaching at another North Dakota school next year, and tears were shed. Fifteen students were inducted or honored at a school-wide NAHS ceremony.

April was filled with art contests, community service projects, the state competition, and officer retreat. Students submitted to the Artwise Exhibition, Celebrating Art Competition, and State. Awards will be announced at Night of

the Arts. The officers and active members went to the elementary school to do watercolor caricatures with K-6 students. At the end of April, officers went to Minot to have their annual officers retreat at Taube Art Museum.

The year ends with our 13th annual Night of the Arts on May 16. This includes the choir and band concert, awards ceremony, art exhibition, and ice cream social. What a year!

The Grinch visits Larimore

Ohio

HARVEST PREPARATORY SCHOOL CANAL WINCHESTER, OH

SPONSOR: LOIS GRAYSON

Our chapter has been working on classroom murals, hallway artwork, Dr. Seuss clay pieces, basketball posters for our, 1,000-point players and preparing for our spring art exhibition. They have been putting their heart into the artwork, and it definitely shows!

Black History Month showcase, visual arts exhibition

ARTS & COLLEGE PREPARATORY ACADEMY COLUMBUS, OH

SPONSOR: BROOKE HUNTER-LOMBARDI

Our 4th year of NAHS has been off to a strong start, and we have been hard at work to make as many positive contributions to ACPA's art scene as possible. We are extremely grateful for
