

H509 TCAC Scholarship

The John C. Pederson Arts Scholarship (\$500) was established in 2026 through a generous donation of artwork by John's family to the Traill County Arts Coalition, creating a legacy that reflects his lifelong dedication to the arts. Proceeds from the sale of these works directly fund the scholarship, providing support to emerging artists with a passion for creative expression and a commitment to

their artistic growth. This scholarship honors John's enduring impact on the regional arts community, his spirit of experimentation, and his belief in the importance of nurturing creativity across disciplines. Awarded annually, the scholarship seeks to encourage and assist students pursuing studies in the visual arts, helping to carry forward the kind of curiosity, craftsmanship, and artistic integrity that defined John's life and work.

TCAC Mission: to enrich lives, ignite creativity, and celebrate the diverse voices within our community by supporting and encouraging personal expression through all forms of art
